

The Exceptional Executive/Personal Assistant

EA & PA are highly visible roles that demand the right mix of personality and skills.

This course focuses on key skills which are fundamental in this role – managing your manager/s, problem solving, communication, understanding personality dynamics, leadership and handling stress/pressure.

Course Structure

This comprehensive one day course is full of practical strategies and insights that really work, which you can apply the very next day in the office.

Understanding the responsibilities and opportunities of the Executive/Personal Assistant Role

- › Overview of the EA/PA position and key role responsibilities
- › Opportunities to amplify career development and gain respect

Problem Solving

- › Insight into how to deal with issues in a timely manner
- › Systems and ways of gaining mutual understanding to clarify and manage expectations
- › Effective problem solving process and techniques to manage stress and worry

Developing the Leader in You

- › Modelling the way – every interaction with a colleague is building your personal brand
- › Increasing and enhancing communication skills
- › Increasing personal productivity and that of your boss
- › Understanding accountability and methods of ensuring focus on what really matters
- › Enhancing business social skills – tools and tips to ensure work functions flow with ease, networking is professional and conversation flows.

Working with Others

- › Working with teams and individual personality dynamics
- › Understanding your personality styles and how best to work effectively with others when their personality temperament/working style is very different to yours.

Handling Stress & Pressure

- › Learn proven strategies to help you maintain alertness and productivity
- › Understand ways to minimise the impact of stress and pressure.
- › Dealing with conflict can be incredibly stressful. This course will provide a 10 step process for dealing with difficult situations and creating win/win outcomes.
